

Equipment Use Policy

Purpose: The Kling Memorial Library is dedicated to providing quality services that benefit our patrons and fill the needs in our community. This Equipment Use policy outlines which services the Library provides through the use of our own equipment.

Disc Repair:

1. Patrons and visitors may bring their personal CDs, DVDs, and Game discs to the Kling Memorial Library for deep scratch repair. Each disc must be submitted in a plastic sleeve or case.
2. Library staff will attempt to repair discs for a fee of \$2.00 per disc, due upon drop off, using a JFJ Easy Pro disc repair machine.
3. Patrons must complete an owner information slip for the disc(s) they submit for repair.
4. The library will clean discs at least once a week on Thursdays (barring holidays or other closure). Discs may be dropped off anytime during regular library hours. Discs will be ready for pick-up Fridays by 10 AM. Discs will not be repaired on a "while you wait" basis, unless the machine is already in operation.
5. If the damage is not repaired on the first attempt, the library staff will try again using stronger methods at no extra charge. The re-do request must be received within two weeks of the first repair, accompanied by original owner information slip. If the second attempt fails, the patron may request a third attempt for a charge of \$1.00, but there is no guarantee of success. Library staff may determine that a disc is damaged beyond repair upon physical examination or after the highest level of repair fails twice. If the repair fails, the patron will not receive a refund.
6. Patrons are responsible for picking up their disc(s) in a timely manner. If the disc(s) is left at the library for more than 2 weeks, library staff will make one phone call as a reminder. If the disc(s) is left at the library for more than 2 months, it will be considered a donation and may be added to the collection, sold or disposed of in some other manner.
7. Kling Memorial Library cannot be held liable for permanent damage to disc(s) that are already damaged.
8. Library staff reserves the right to refuse repair service on any disc(s) that they determine to be detrimental to the JFJ Easy Pro Machine, in violation of state and federal laws, or is contrary to library philosophies and policies.
