

## **STORY TIME POLICY**

### **Objectives:**

- A. To instill the love, appreciation, and enjoyment of books and library materials in young children.
- B. To teach children the proper care of books and library materials.
- C. To help children become comfortable with the library and its procedures

### **Procedures:**

- A. The emphasis should be on available library materials dealing with books, music, poetry, and creative activities appropriate to our limited space and supplies.
- B. Weekly sessions will be held September through May for all children with appropriate programming for children birth through five.

### **Outreach Programs:**

- A. The outreach sessions shall be taken to day-care providers and the preschool whenever there is a want or need for such a program.
- B. The sessions will be 30 to 45 minutes and an activity will be shared when possible.
