Section G - Programs and Content Recordings

Intro and Children 0-5

LIBRARY PROGRAMS

Live Program Sessions

A live program session is any planned event which introduces the group attending to library services or which provides information to participants.

Program sessions may cover use of the library, library services, or library tours. Program sessions may also provide cultural, recreational, or educational information. Examples of these types of program sessions include, but are not limited to, film showings, lectures, story hours, literacy programs, citizenship classes, and book discussions.

INCLUDE

- All program sessions that are sponsored or co-sponsored by the library. For a program session to be sponsored or co-sponsored by the library, the library must contribute financial resources or staff time toward the program session. For a program session that is part of a larger community event (such as a farmer's market or festival), it is not necessary for the library to also sponsor or organize the larger event.
- Both on-site and off-site program sessions. For example, include a storytime at a farmer's market or a presentation to a school group about library resources conducted at a school.
- Live-streamed virtual (synchronous) program sessions that are sponsored or co-sponsored by the library.
- Program sessions with attendance of zero or one if they were intended for a group.

EXCLUDE

- Program sessions sponsored by other groups that use library facilities. For example, do not include a homeschooling group hosting a speaker in a meeting room without facilitation from library staff.
- Offsite outreach efforts that do not otherwise meet the definition of a program session. For example, do not include having a library card signup booth at a farmer's market.
- Activities delivered on a one-to-one basis, rather than to a group, such as one-to-one literacy tutoring, services to homebound, homework assistance, mentoring activities, etc.
- Passive or self-directed activities that do not occur at a scheduled time. For example, do not report "make and take" bags or coloring pages as a program. Report these self-directed activities on questions G115 to G123
- Recorded presentations of program content. Report these on questions G109 to G114.
- Programming that is shared on the library's website or social media that is not sponsored or co-sponsored by the library. For example, do not include sharing a video from an author's website of him or her reading a book.

Tips for reporting programs and attendance.

- When reporting the number of programs count the total number of events. A story time held once a week for a year is counted as 52, not as one.
- When reporting attendees count total number of attendees regardless of the age. A children's program attended by 10 children and 10 adults is counted as 20, not as 10.
- Live, virtual programs are conducted via a Web conferencing or webinar platform during which a library staff member (or other party sponsored by the library) is presenting to or interacting with an audience in real-time. These are considered programs for survey purposes and should be added into programming counts as indicated below.
- Recordings of program content include video or audio recordings created by a library staff person (or other party sponsored by the library) and posted to a video or audio hosting platform for the audience to view tor list to on-demand. Do not include promotional or marketing content. Recordings of program content are counted separately from live programs as indicated below.
- If a program is hybrid (i.e., in-person and virtual) then report it as in-person. Do not double count.
- WhoFi/Non-WhoFi - we prefill and lock data from WhoFi for libraries that use that service. If you did not use the WhoFi service fill out the non-WhoFi questions. The total number of WhoFi and non-WhoFi programs will equal the total number of programs offered in each category.

Content Recordings and Patron Directed Activities

Program Content Recordings

A program content recording is any recording of program content that cannot be viewed live as it unfolds (i.e., on-demand streaming). Only include program presentations posted during the reporting period. Regardless of the number of platforms on which a presentation is posted, count each unique presentation only once. Include program sessions hosted on Facebook Premiere that are not facilitated by a staff member.

The count of views of asynchronous program presentations for a period of THIRTY (30) days after the presentation was posted, even if that period extends beyond the survey reporting period (or fiscal year). For program presentations made available via Facebook, count unique 1-minute views of each video. For those made available via other platforms, count unique views of each video. For recorded program presentations that are recordings of live, virtual program sessions, exclude live attendance; live attendance should have already been counted on lines G18, G29, G55, G78, or G95.

Patron-Directed Activities

Below is a list of activities that are patron directed and sometimes known as passive, self-directed, or indirect programming. All answers are prefilled with 0. If you do not provide a listed service you can leave it as a 0. If you provide a service but are unsure of how many times it was used, answer with an estimate, or N/A. Otherwise provide the number of times each service is used ANNUALLY. Do not count the number of items created, only count the number of times a service is used. Do not include anything provided as a part of a library sponsored, in-person, program. These counts should be accounted for in the programming counts listed above. For example, do not count coloring sheets used as part of a live, in-person, program as an indirect activity.

Section H - Library Buildings - Hours and Square Footage

Make sure to consider closures due to COVID-19 when calculating number of hours and weeks open. For example, if your library is normally open for 52 weeks, but was closed for 20 weeks and open for 32 weeks, due to COVID-19, report 32 on line H02.

Section I - COVID 19 related questions

The following questions were added in the FY20 survey to assess the impact of the COVID-19 pandemic on library services. The impact extended into FY22, so we will continue with most of these questions this year. Answer Yes or No to the following questions if you know for sure that you provided the listed service or not. If you aren't sure, leave the question blank.

I01	Were any of the library's outlets physically closed to the public for any period of time due to the Coronavirus (COVID-19) pandemic? (YES/ NO) • Hours open clarification: An outlet is considered physically closed when the public cannot access any library buildings or bookmobiles, regardless of staff access. A building can be physically closed but still offer virtual or "curbside" services outside the building.	No

I02   Did library staff continue to provide services to the public during any portion of the period when the building was physically closed to the public due to the Coronavirus (COVID-19) pandemic? (YES/ NO)

- Services to the public can include providing reference service, hosting virtual programming or recorded content, curbside delivery, etc. Staff can be located or home or in a closed library while providing these services.

I03   Did the library allow users to complete registration for library cards online without having to come to the library DURING the Coronavirus (COVID-19) pandemic? (YES/ NO)   Yes

I04   Did the library provide reference service via the Internet or telephone during the Coronavirus (COVID-19) pandemic? (YES/ NO)   Yes

I05   Did the library provide 'outside' service for circulation of physical materials at one or more outlets during the Coronavirus (COVID-19) pandemic? (YES/ NO)

Similar terms could include curbside, vestibule, or porch pickups, delivery (mail or drop- off), drive- thru, etc. NOTE: Circulation of these items should be reported as circulation in the appropriate category in section F.   Yes

I06   Did the library intentionally provide access to Wi- Fi Internet access to users outside the building at one or more outlets DURING the Coronavirus (COVID-19) pandemic? (YES/ NO)   Yes

I07   Did the library increase access to WI- FI Internet access to users outside the building at one or more outlets during the Coronavirus (COVID-19) pandemic? (YES/ NO)   No

I08	Did library staff work for other government agencies or nonprofit organizations instead of, or in addition to, their normal duties during the Coronavirus (COVID-19) pandemic? (YES/ NO)	
	• NOTE: Include reassignments to other government agencies (e.g., to provide unemployment claims), as well as other activities such as the use of library staff to distribute school lunches and other materials. Volunteering during work hours would count, but volunteering off hours would not.	No
I09	Does the library check out WIFI hotspots for use outside the library? (YES/ NO)	No
I10	As of June 30, 2022, does the library charge overdue fines to any users when they fail to return physical print materials by the date due? (YES/ NO) NEW	Yes
